The Journal for Thematic Dialogue

10: group
June 2008

Junctures: The Journal for Thematic Dialogue is peer-reviewed and published two times a year in December and June by Otago Polytechnic/Te Kura Matatini ki Otago, Dunedin, New Zealand.

Junctures aims to engage discussion across boundaries, whether these be disciplinary or geographic. It is concerned with views surrounding issues of location, isolation, creativity and ingenuity. With New Zealand and its Pacific neighbours as a backdrop, but not its only stage, *Junctures* seeks to address the matters which concern people in their environment and daily life. *Junctures* is organised around thematic foci which allow the convergence of disciplines around a nominated topic.

Junctures is indexed in the EBSCO and Thomson Gale databases as well as the Ulrichs Periodical Directory.

Annual subscription: NZ\$100 institutional domestic; NZ\$140 institutional overseas; NZ\$40 individual domestic; NZ\$65 individual overseas.
