*Junctures: The Journal for Thematic Dialogue* is peer-reviewed and published two times a year in December and June by Otago Polytechnic/Te Kura Matatini ki Otago, Dunedin, New Zealand.

*Junctures* aims to engage discussion across boundaries, whether these be disciplinary or geographic. It is concerned with views surrounding issues of location, isolation, creativity and ingenuity. With New Zealand and its Pacific neighbours as a backdrop, but not its only stage, *Junctures* seeks to address the matters which concern people in their environment and daily life. *Junctures* is organised around thematic foci which allow the convergence of disciplines around a nominated topic.

*Junctures* is indexed in the EBSCO and Thomson Gale databases as well as the Ulrichs Periodical Directory.
